SUMMARY OF THE REASONS FOR DECISION:

The DVD *Kruger Park* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD *Kruger Park* contains a title previously examined and classified as a VHS/PAL video recording by the Office of Film and Literature Classification. The video recording was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 6 December 2001.

The DVD version of *Kruger Park* contains additional material comprising five trailers for sexually explicit features, still images from the feature, background information about the making of *Kruger Park* and *Vengeance*, and biographical details about the women participants. There is nothing in the DVD version that requires an alteration to be made to the classification given to the video recording version of the publication. Therefore the previous classification of *Kruger Park* as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" is appropriate, with the same descriptive note.
